Summer Enrichment Program 2018

Please find enclosed our summer application. **The Summer Program begins June 4th, 2018.**
Please enroll for the weeks you wish your child to attend.

Summer enrollment requires a 1/3 deposit with all applications to be applied to the last weeks of enrollment. **Families are financially responsible for all weeks enrolled.** This policy will ensure full summer enrollment to meet our summer budget. **Tuition is due each Monday.**

Our **Primary Program** is offered to children ages **4-6** or students who have completed **one year in our Primary Program. Extended Day children graduating** to the Elementary program in the fall will remain with their classmates in the **Primary Camp.**

Our **Elementary Enrichment Program** is for children ages 7-12, who have completed one year of AMS Elementary School or the first grade in a public school system. If your child attends our Elementary Enrichment Program, you will be notified of field trips that may require a 3:15 pick up. Please notify the staff if you have prior appointments that would conflict with fieldtrips.

Once we receive your summer application and deposit, acceptance is automatic unless we are full. **In the event we do not have an opening for summer weeks requested, you will be contacted immediately.** Please contact the office if you wish to be on a wait list for specific weeks that may be full.

Thank you for your support of our summer programs! Please contact us if you have any questions.

Thank you,

The Office

Elementary Summer Enrichment Program 2018

After tuning up their computer skills, this summer's programs will guide students through a rich landscape of diverse ecosystems and cultures. Students will navigate the globe with deep dives into the deserts, rainforests and temperate forests of the world and will surface to enjoy the cultures of the aborigines, Mexico, and Peru and create a totem pole legacy. An experienced staff with innovative approaches will guide children through a creative curriculum using art, music, games and experiments. Early morning drop-off and afternoon care available.

- | <u>Dates</u> | <u>Program</u> | <u>Instructors</u> |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------|---------------------------|
| 1. June 4-8 | Computer Skills and Applications | Clym Gatrell |
| We will introduce each child to the basics of navigating a computer, including: how to safely navigate the internet; basic use of Microsoft office and email communications. (Each child may use an AMS Chromebook or their own laptop). | | |
| 2. June 11-15 | Hagrid's Zoological Adventure | Clym Gatrell |
| Using Harry Potter themed activities students will explore animal kingdoms, examine specimens and learn their stories. | | |
| 3. June 18-22 | The Way of the Aborigines | Joanie Geiser |
| Students will dive into Aboriginal art and music, and unveil how their ecological setting shaped their culture. | | |
| 4. June 25-29 | Deserts of The World | Maggie Hunter |
| Students will learn how plants and animals adapt to the harshest conditions on our planet while visiting the Sahara, Gobi and Arabian desert biomes. | | |
| 5. July 2-6 | Rainforests of the World | Melissa Cappi |
| While grasping the central role of Rainforests in our planet's well being, students will represent the intricate ecology of these treasured biomes through a series of crafts, art and outdoor exploration. CLOSED July 4 th . | | |
| 6. July 9-13 | Temperate Forests | Maggie Hunter |
| Returning from the extreme biomes of earlier weeks, students will study the marvelous interdependence between plants and animals of the forest. Tree identification and the dance between predators and prey will be featured. | | |
| 7. July 16-20 | Totem Poles | Mary Helen Law |
| Explore the intercultural history and rich symbolism of totem poles through art, interactive storytelling and games. Create a personalized group totem to be displayed on the school campus. | | |
